Lifestyle Workshops

Come and see our lifestyle workshops at stand J24 (Jubilee Pavilion) for helpful advice, tips and tricks for caravanning and camping.

Join Wayne ‘Flipper’ Phillips and Andrew Kennedy as they gather experts from various fields to help you travel safely and enjoy a great caravan and camping lifestyle. We’ll be conducting workshops and discussions covering subjects from where and how to work around Australia to tyres, generators, solar panels and braking systems. The CFS will be joining us, as will St John to give us a few tips on what to do in an emergency. There’ll be towing and caravan maintenance hints, camp cooking and outback communication information. We’ll even discuss travelling with kids and pets, plus get some inside info on vintage caravans from some seasoned travellers.

Lifestyle Workshops: 11.00am to 3.15pm daily. Let’s Go!
